FROM BIG FIVE

Super Nova

Huge asteroids are floating everywhere! You must destroy them and the evil alien ships that accompany them or be destroyed yourself! "Super Nova" has been reviewed in just about every major computer publication throughout known space!

Cat. #1014... Model 1/3 Cassette... **\$15.95**

Cat. #1016... Model 1/3 Diskette... **\$19.95**

Galaxy Invasion Plus

One of our most popular games now has been enhanced with some of the most requested features: Pause mode, Sound disable for increased game speed, Voice sound effects, and the Cosmic Storm which flips the screen upside down for a real game challenge! With these added features, "Galaxy Invasion Plus" is a must for your game library!

Cat. #1024... Model 1/3 Cassette... **\$15.95**

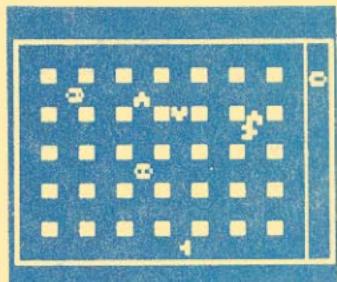

Cat. #1026... Model 1/3 Diskette... **\$19.95**

Attack Force

Your ship is in the same quadrant as eight alien ramships that must be destroyed to insure your own survival. Be quick with your lasers or be crushed! High speed graphics and exciting screen displays will make this game one of your favorites! With Sound!

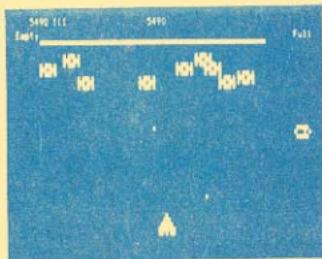

Cat. #1034... Model 1/3 Cassette... **\$15.95**

Cat. #1036... Model 1/3 Diskette... **\$19.95**

FROM BIG FIVE (continued)

Cosmic Fighter

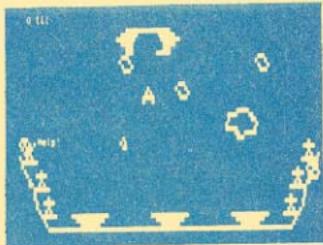

Your ship is under the attack of bands of hostile aliens. Can you survive the alien's missiles to dock with your mother ship before your fuel runs out? Four different alien waves will challenge your reflexes as you attempt to fulfill your mission! With Sound!

Cat. #1044... Model 1/3 Cassette... **\$15.95**

Cat. #1046... Model 1/3 Diskette... **\$19.95**

Meteor Mission II

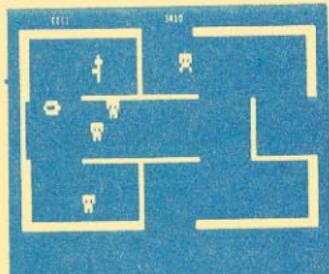

A huge explosion has occurred trapping six of your fellow astronauts on the surface of a remote planet. Maneuver your ship through the asteroids to rescue them, and then battle the evil Flagship on your return to the mother ship. With Sound!

Cat. #1054... Model 1/3 Cassette... **\$15.95**

Cat. #1056... Model 1/3 Diskette... **\$19.95**

Robot Attack

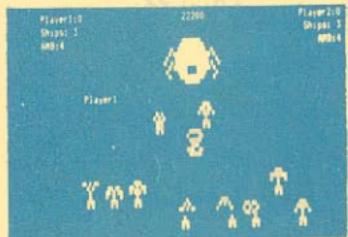

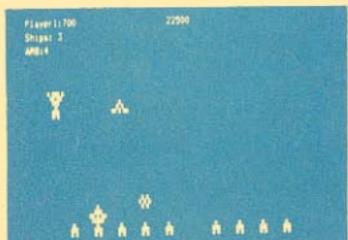

Robots have taken over one of Earth's local space stations. Armed with only your laser-pistol and your quick reflexes you must fight to destroy them because they are programmed to kill you!! This is the famous game that shattered all sales records and amazed the TRS-80 world by being the first arcade game to feature voice sound effects!

Cat. #1064... Model 1/3 Cassette... **\$15.95**

Cat. #1066... Model 1/3 Diskette... **\$19.95**

FROM BIG FIVE (continued)

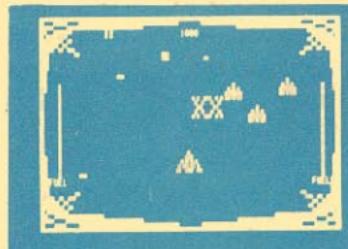

Defense Command

Several months ago the Kromorkrom Empire invaded our planet and stole some of our newly developed "Krotnium" fuel cells. Your mission is to infiltrate the Empire and protect the fuel cells from the attacking aliens. As long as you have at least one cell you can survive. But once it's gone, they will unleash the most terrifying weapon ever ... The Solar Waster!! With VOICE sound!!

Cat. #1074 ... Model 1/3 Cassette ... **\$15.95**

Cat. #1076 ... Model 1/3 Diskette ... **\$19.95**

Stellar Escort

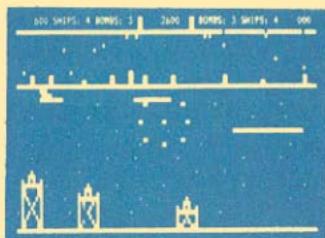

In this unique game experience you do not see your ship. Instead, you are looking out of a space viewer onto the small ship you must escort safely through enemy space. The evil Cretonians are very mean and take no prisoners! Since they cannot fire at you, they will attempt to ram the fragile ship that you are guarding. You must be accurate in firing your quad laser turrets to fulfill your mission. With VOICE sound!

Cat. #1084 ... Model 1/3 Cassette ... **\$15.95**

Cat. #1086 ... Model 1/3 Diskette ... **\$19.95**

FROM ADVENTURE INTERNATIONAL

Eliminator

You have been placed in charge of protection of the fuel cells on a distant planet. You are the pilot of the most technologically advanced craft in known space. To complete your mission you must fire your high powered laser and destroy the attacking aliens. With Sound!

Cat. #1541... Model 1/3 Cassette... **\$19.95**

Cat. #1542... Model 1/3 Diskette... **\$24.95**

Sky Warrior

Can you maneuver your ship through the treacherous course of enemy terrain? Deadly rockets will launch towards your ship on a mission to kill you. Your only defense is the bombs you drop to destroy them! Four different levels of danger make this game a real challenge!! With Sound!!

Cat. #1543... Model 1/3 Cassette... **\$14.95**

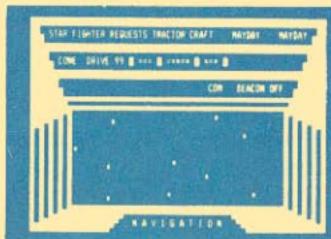

Cat. #1544... Model 1/3 Diskette... **\$20.95**

Starfighter

You are piloting the Starfighter craft in search of hostile enemies. As you look through your command console you can instantly see all of your ship's functions and statuses. You must be quick to command your ship in the proud tradition of your former captains. With Sound!

Cat. #1504... Model 1/3 Cassette... **\$24.95**

Cat. #1505... Model 1/3 Diskette... **\$29.95**

FROM ADVENTURE INT'L (continued)

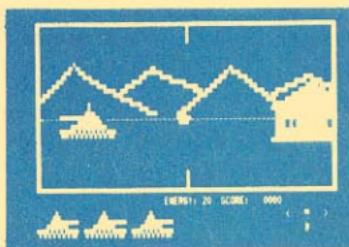

Missile Attack

You are at the controls of a missile base and your duty is to protect the three cities you see on your satellite viewscreen. Aim the cross hairs of your target tracker and press the big red button to unleash the terrifying nuclear warhead that is at your disposal. Are you bold enough to save the innocent people crying out for your help? With Sound!!

FROM FUNSOFT

The Black Hole

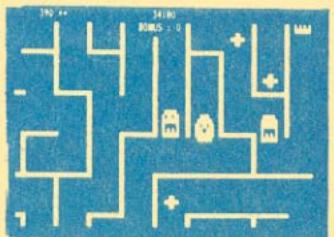

It was a dark day for the Galactic Empire as the dreaded Dorfians launched their invasion. A lightning counter-attack by the Galactic Fleet was successful however and destroyed the alien invading force. Only their leader has escaped and taken refuge at the bottom of a black hole. Your mission is to seek out and destroy this creature. Can you survive?

Cat. # 1564... Model 1/3 Cassette... **\$19.95**

Cat. # 1565... Model 1/3 Diskette... **\$24.95**

Bable Terror

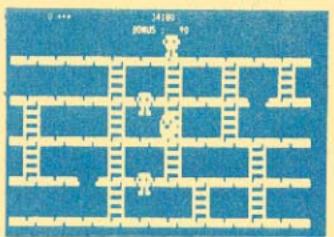

An incredible maze game—the best we've seen for the TRS-80, as you begin the game you see a large maze being drawn in front of you. Suddenly, your screen switches to a close-up view and you see yourself and the other characters around. This game will really surprise you with its graphics!

Cat. # 1566... Model 1/3 Cassette... **\$19.95**

Cat. # 1567... Model 1/3 Diskette... **\$24.95**

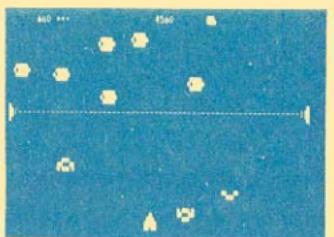

Apple Panic

The fun program you may have seen running on Apple computers is now available for the TRS-80. You see yourself standing on a building when suddenly several crazed apples start to attack you! Quickly you must climb the ladders and dig holes in the hopes of burying those mutant fruits!

Cat. # 1568... Model 1/3 Cassette... **\$19.95**

Cat. # 1569... Model 1/3 Diskette... **\$24.95**

Mad Mines

An ever tightening force field is being applied around your planet. Mad mines are being released all around this force field. As the fast action speeds up, so do they! Will you survive? Only your quick response and fast reflexes will tell.
